### Officer Reports:

Secretary: The workshop reports from the September Assembly have been printed and placed in the filestore, copies available on request.

Chair: Online Responder training is excellent - encourage people to try it.

### Discussions

Content of January workshops: several in favour of setting aside some of the time to discuss the conference questions. Region Reps should help to pass on or draw attention to Conference Question information published in the December AA Service News. GSR's are welcome to attend Region to hear about them. Some IG's (including MidSurrey) have a workshop hosted by Conference Delegates. Many in favour of keeping current workshop format unaltered. Vote taken, no clear majority so the status quo maintained.

Conscience discussion: Northdown Region Rep proposed discussion and possible formation of a working party to consider a region split to form a new South Central Region. Not all Northdown members in agreement with this suggestion. It was noted that Northdown IG has 6 officers in the SE Region. No support for a working party at this stage.

# Conventions:

Southern National Convention next year is 31 August to 2nd September 2018.

Isle of Wight Convention - change of date from 16-19 March 2018 to 2nd - 5th March 2018. Amended flyers available or please alter dates on those you have as all other information is unchanged.

# Forthcoming SE Region Assemblies:

These will be held on 14 January, 18 March , 24 June, 23 September and 25 November with workshops in January and September. It is important that all Intergroup LO's attend the January Region workshops. GSR's would benefit from doing so also. Flyers available on Mid Surrey website.

#### Assembly:

<u>Nominations</u> Claire elected as SNCC Committee member

#### Officer Reports

Treasurer: We are one of the biggest contributors to national funds. July-Sept sending £131,000 to GSO

Chair: Alan reported that a child died at a NA event and stressed that parents must be responsible for any child they bring to a meeting.

Discussion topic: How to attract more members into service.

Points covered included: Hosting informal discussion groups; Travel distance a problem, possibly split region to reduce travelling time for some; Step sponsors and service sponsors can be separate things; Could reduce service terms (6 months?) or share a post; Get sponsors to persuade their sponsees into service; Note peoples sobriety dates so you know when they are eligible; GSR's need to constantly remind people of vacancies, not just mention them once.; Once people are in service they tend to continue; When finishing service make it your responsibility to find a successor and explain the job to them; No substitute for asking people personally if someone will take on a position; One member wished he had made a list of all the things he wanted to know when he took on a position so he could pass it on to a new or potential volunteer; Bring people with you to region; Make roles more attractive, explain how interesting they are; Identify what people are good at and approach them; Try reverse psychology, tell somebody they are not ready for something then they want to do it; Don't wait to ask group permission to do something, just organise it informally.
