BILL W ON THE TRADITIONS

In 1947, an American AA called Grace O, was visiting London. She was asked by GSO in New York to contact several people in Britain who wanted information about AA. The venue for AA's first meeting in Great Britain was pretty classy - London's Dorchester Hotel. The meeting was held in Room 202 of the hotel at 8 p.m. on Monday 31st March 1947.

Each year, AA UK celebrates this anniversary with Traditions Week.

**Getting there: Parking is available at the venue.
It is also accessible via the Number 5 bus
