

Conference 2019, Committee 5, Question 3 approved:

The Electronic Communications Sub Committee is permitted to seek Board approval for other appropriate external links provided clear disclaimers and warnings that the user is leaving the AA website are displayed.

The Committee noted that this changes the previous Conference decision of 2013.

Following this, we need a change to the Service Handbook 2018. P37, section 3:6 The AA GB Website, where the last line of the section reads:

All other external links will require Conference approval.

Has to be changed to:

All other external links will require Board approval, provided clear disclaimers and warnings that the user is leaving the AA website are displayed
